

Tom Kromkowski

State Representative • District 7

1999 Session of the Indiana General Assembly

State budget provides tax cuts, funding for education

The new state budget will make a very real difference in the lives of many Hoosiers. Some of the highlights include:

Program Funding

- **Public education:** Statewide total formula funding increase of an average of 4.7 percent in calendar years 2000 and 2001, with minimum guarantees of funding increases of at least 2.5%. Funding was increased for both at-risk and academic honors programs. Local schools and libraries also received \$76 million in technology funding.
- **CHOICE:** \$5 million increase per year in funding for home health care for the elderly
- **Higher education:** appropriations were increased by 7.0 percent in fiscal year 2000 and 4.7 percent in 2001
- **Vocational education:** incentives for school corporations to provide programs in which high employment demand exists
- **A new \$50 million 21st Century Research and Technology Fund** that will promote high-tech industries located in Indiana
- **Social services:** Funding for the seriously mentally ill is increased by \$3 million in 2000 and \$6 million in 2001. MRDD programs will receive an additional \$9 million in funding.

Savings to Taxpayers

- **Elimination of county welfare fund and county welfare administration funds** from local property taxes
- **Elimination of inventory tax** for 87 percent of farms and businesses

Rep. Kromkowski debates legislation on the House floor.

Build Indiana Projects District 7

Center Township VFD Equipment -- \$100,000

Colfax Campus/South Bend Heritage Foundation -- \$40,000

Portage Township VFD Equipment -- \$40,000

Road/Drainaga Projects -- \$300,000

South Bend Chapter Black Expo for Youth Programs and Computers -- \$20,000

Additional \$200 million approved for Indiana roads

I was pleased we appropriated an additional \$200 million from the state general fund for local roads over the next two years. This is in addition to the regular funding from gas taxes. Many of you have indicated your strong desire to see us do more road improvements throughout the state.

St. Joseph County received \$4.3 million and South Bend received \$3.3 million. The amounts for the city is in addition to the total for the county. The amount appropriated to each city is based on the population of the city.

Hoosiers will save \$672 million over the next two years in tax cuts

- **Homeowners:** a new income tax deduction for property taxes up to \$2500
- **Senior citizens:** an income tax deduction increase from \$1000 to \$1500 and a property tax deduction increase from \$1000 to \$2000
- **Dependent children:** an increase in the income tax deduction from \$1000 to \$2500
- **Small businesses:** property tax “add-back” repealed so business owners can deduct the amount of their property taxes from their state income taxes
- **Renters:** an increase in the income tax deduction from \$1500 to \$2000
- **Long-term care health insurance:** an income tax deduction for the premiums paid for long-term health care insurance
- **Earned income tax credit:** a new refundable credit for working parents making less than \$12,000 (replaces deduction)

Education

ISTEP Gateway Examination -- House Enrolled Act 1050 allows students who do not pass the ISTEP Gateway Examination to graduate, provided they meet certain other requirements. The legislation also provides that the case conference committee determines eligibility for graduation of certain students with disabilities. The act also provides that all students in Grade 10 must take the examination.

Educational Standards -- A roundtable has been created to develop educational standards for Indiana students. Standards would be set for each grade level, easily comparable to national and international standards, written in an easy-to-understand manner, and distributed to students and parents.

Postsecondary Proprietary Education Grants -- Combines the higher education award program for students at postsecondary proprietary educational institutions with the award program for students at other institutions of higher learning.

Kromkowski votes to protect consumers, children

Stopping “slamming” & “cramming” -- House Enrolled Act 1628 gives the Indiana Utility Regulatory Commission (IURC) authority to impose a civil penalty on a telecommunications provider if the provider has violated the law or rules prohibiting the unauthorized switching of telecommunications providers or the billing of unauthorized services -- known as "slamming" and "cramming."

"Slamming" is the term used to describe the telecommunications practice of changing a person's phone service provider without the customer's permission. "Cramming," on the other hand, refers to billing for services not authorized by the customer.

Telephone solicitation -- House Enrolled Act 1434 imposes stricter regulations on professional solicitors and fundraisers while protecting telephone customers.

The act requires a professional solicitor to disclose several items to the attorney general, including the portion of a contribution that goes to the solicitor and the portion that actually goes to the charity.

It also requires professional solicitors to disclose many of those items

at the beginning of each call, including the name of the company and the phone number and address of the location from which the call is being made.

HMOs -- House Enrolled Act 1309 establishes an external procedure for grievances against HMOs. The act requires the Indiana Department of Insurance to hear grievances filed by individuals who have been denied services by an HMO.

The review would allow a physician who specializes in the treatment in question rather than a general practitioner or other physician to determine whether the patient should receive the requested services. Furthermore, the bill has provisions to ensure the review is done in a timely fashion. In life-threatening cases, the review will take place within five days.

This act provides a less costly and less time-consuming procedure for HMO grievance review. The independent reviews would be paid for by HMOs except for a \$25 filing fee paid for by the consumer.

Infant Hearing -- Hearing examinations are now included in the tests required under the newborn screening program.
